

Volunteer Fearon

It's good for you

It's good for us

Fearon Hall, Rectory Rd, Loughborough

We're looking for community minded people to join our volunteering team at Fearon Hall. We've got a variety of roles to fill at times to suit you, and you don't require any previous experience. You just need to be prepared to make some great new friends, learn new skills and make a difference. You'll become an important part of our team and we'll support you throughout. All training and equipment (inc. ppe) will be provided.

So, what are you waiting for?
