# Fearon together

## Community working group

Every Friday  
Fearon Hall, 1pm - 2pm

What should a good community mental health and wellbeing support service look and feel like?

We're inviting you to help design it. Bring your voice to help shape the future of The Hello Help Hub at Fearon Hall.

### Your ideas and experiences will help to shape:

- How The Hello Help Hub at Fearon Hall looks and feels
- What support is available and when
- The types of services and activities on offer

### We want to hear from:

- Those with lived experience of mental health challenges
- Users and providers of support services
- Carers, friends and family members
- Local residents, community groups and volunteers

### Designed by you, for you:

- Help create something that really works
- Meet others and be part of a supportive group
- Build confidence and share ideas in a safe space
